Prior art documents discussed:

**Part II.**

**SUBSTANCE OF INTERVIEW DESCRIBING THE GENERAL NATURE OF WHAT WAS DISCUSSED:**

See *Continuation Sheet*

**Part III.**

It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview directly resulted in the allowance of the application. The examiner will provide a written summary of the substance of the interview in the Notice of Allowability.  
 It is not necessary for applicant to provide a separate record of the substance of the interview, since the interview did not result in resolution of all issues. A brief summary by the examiner appears in Part II above.

(Examiner/SPE Signature)

(Applicant/Applicant's Representative Signature – if appropriate)

Continuation of Substance of Interview including description of the general nature of what was discussed:

Informed Applicant that improper status identifier used for claim 7 in the RCE/Amendment dated 8/24/06 but this would be corrected in the examiner's amd. attached herewith; therefore, Applicant told to ignore the notice of non-compliant amd. sent by the office after filing of the RCE but before mailing of the notice of allowance. Applicant also agreed to informal changes in claims 1 and 6 to improve the grammar of these claims - in part a), language of first two lines changed to --first and second double-sided pressure sensitive adhesive layers on bottom and top surfaces of a subpad, respectively,--.
